**Re: Environmental Protection Agency (EPA) 104(e) Request - Metro Container Site, Trainer, Pennsylvania**

Dear Mr. Rose:

Exxon Mobil Corporation has received the referenced request for information. Unfortunately, because of the age of the records sought and the lack of a central repository for those records, the information cannot be compiled within the 45 days specified in the request. ExxonMobil is diligently compiling the records it has and will respond, but we hereby request an additional sixty (60) days in which to complete our response.

Should you have any questions or wish to discuss, please contact me at (703) 846-4416.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Vaughan (jkm)".
